BOARD EVALUATION

The Board evaluated the effectiveness of its functioning, that of the Committees and of individual Directors, pursuant to the provisions of the Act and SEBI Listing Regulations.

The Board sought the feedback of Directors on various parameters including:

- Degree of fulfillment of key responsibilities towards stakeholders (by way of monitoring corporate governance practices, participation in the long-term strategic planning, etc.);
- Structure, composition, and role clarity of the Board and Committees;

- Extent of co-ordination and cohesiveness between the Board and its Committees;
- Effectiveness of the deliberations and process management;
- Board/Committee culture and dynamics; and
- Quality of relationship between Board Members and the Management.

The above criteria are broadly based on the Guidance Note on Board Evaluation issued by the Securities and Exchange Board of India on January 5, 2017.

The Chairman of the Board had one-on-one meetings with each Independent Director and the Chairman of NRC had one-on-one meetings with each Executive and Non-Executive, Non-Independent Directors. These meetings were intended to obtain Directors' inputs on effectiveness of the Board/ Committee processes.

In a separate meeting of Independent Directors, performance of Non-Independent Directors, the Board as a whole, and the Chairman of the Company was evaluated, taking into account the views of Executive Directors and Non-Executive Directors.

The Nomination and Remuneration Committee reviewed the performance of the individual directors and the Board as a whole.

In the Board meeting that followed the meeting of the independent directors and the meeting of Nomination and Remuneration Committee, the performance of the Board, its committees, and individual directors was discussed.

The evaluation process endorsed the Board Members' confidence in the ethical standards of the Company, the resilience of the Board and the Management in navigating the Company during challenging times, cohesiveness amongst the Board Members, constructive relationship between the Board and the Management, and the openness of the Management in sharing strategic information to enable Board Members to discharge their responsibilities and fiduciary duties.

The Board carried out an annual performance evaluation of its own performance and that of its committees and individual directors as per the formal mechanism for such evaluation adopted by the Board. The performance evaluation of all the Directors was carried out by the Nomination and Remuneration Committee.

The performance evaluation of the Chairman, the Non-Independent Directors and the Board as a whole was carried out by the Independent Directors. The exercise of performance evaluation was carried out through a structured evaluation process covering various aspects of the

Board functioning such as composition of the Board & committees, experience & competencies, performance of specific duties & obligations, contribution at the meetings and otherwise, independent judgment, governance issues etc.

Pursuant to the provisions of the Companies Act, 2013 and SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015, the Board has carried out the annual performance evaluation of the Directors individually as well as evaluation of the working of the Board by way of individual feedback from directors.

The evaluation frameworks were the following key areas:

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Your Directors have pleasure in presenting the management discussion and analysis report for the year ended on March 31, 2024.

GLOBAL ECONOMIC OVERVIEW

Current Global Economic Climate

Slower Growth: The global economy has been experiencing slower growth due to various factors like geopolitical tensions, high inflation, and economic recovery post-pandemic. Emerging markets and developing economies are expected to grow faster than developed markets, but growth is generally moderate.

Inflationary Pressures: High inflation rates, driven by energy prices, supply chain disruptions, and labor shortages, are affecting the cost of raw materials and transportation. Central banks are tightening monetary policies to combat inflation, leading to higher interest rates.

Supply Chain Disruptions: Ongoing challenges in global supply chains, including delays and increased shipping costs, impact the availability of materials and the cost of goods.

INDIAN ECONOMY

GDP Growth: India has been one of the fastest-growing major economies, though growth rates have varied due to global and domestic factors. The Indian economy is expected to stabilize with growth rates around 6-7% in the near term.

Rising Middle Class: The expanding middle class and increasing urbanization are driving consumer demand, particularly for household items. As disposable incomes rise, consumers are more likely to invest in quality kitchen products, including kitchen baskets.

Inflation: India has faced moderate inflation rates, which impact the cost of raw materials like stainless steel, plastic, and other inputs used in kitchen baskets. It's essential to monitor inflation trends as they directly affect production costs and pricing strategies.

Raw Material Costs: The prices of key raw materials like steel, aluminum, and plastic have seen fluctuations due to global supply chain issues and domestic demand-supply mismatches. Keeping an eye on these prices is important for maintaining profit margins.

INDUSTRY OVERVIEW

The Indian kitchen basket manufacturing industry is poised for growth, driven by the expanding modular kitchen market and evolving consumer preferences. While competition is intense, opportunities abound for manufacturers who can innovate, maintain high quality, and leverage emerging trends such as sustainability and digital sales channels.

SWOT ANALYSIS

Strengths

Product Range and Variety:

Offering a wide range of kitchen baskets (e.g., stainless steel, plastic, wire, and modular designs) caters to diverse consumer needs.

Established Brand Reputation:

A well-known brand with a history of quality and reliability can command customer loyalty and premium pricing.

Quality Control:

High standards of quality control ensure product durability and customer satisfaction, reducing returns and complaints.

Efficient Manufacturing Processes:

Advanced manufacturing techniques and automation improve production efficiency, reducing costs and increasing profit margins.

Distribution Network:

A strong distribution network, including partnerships with major retailers and a robust e-commerce presence, ensures broad market reach.

Weaknesses**Dependence on Raw Material Prices:**

Volatility in the prices of raw materials like metal and plastic can significantly affect production costs and profit margins.

Limited Innovation:

If the company focuses mainly on traditional designs, it may struggle to meet the demand for innovative and space-saving kitchen solutions.

High Production Costs:

High labor or energy costs may reduce competitiveness, especially against manufacturers in low-cost regions.

Environmental Impact:

If the manufacturing process is not environmentally friendly, it could lead to regulatory challenges and negative consumer perceptions.

Overreliance on Key Markets:

Dependence on a few key geographic markets can be risky if economic conditions or consumer preferences change in those regions.

Opportunities

Growing Demand for Sustainable Products:

Increasing consumer interest in eco-friendly products presents an opportunity to innovate with sustainable materials and production methods.

Expansion into Emerging Markets:

Urbanization and rising disposable incomes in emerging markets create opportunities for market expansion.

E-commerce Growth:

The continued growth of online shopping allows for direct-to-consumer sales, which can increase margins and customer reach.

Customization and Personalization:

Offering customizable kitchen basket solutions can meet the rising consumer demand for personalized products.

Collaborations and Partnerships:

Forming strategic alliances with designers, retailers, or technology companies can enhance product offerings and market reach.

Threats**Intense Competition:**

The kitchen basket market is highly competitive, with many low-cost manufacturers, particularly from Asia, which can drive down prices and profit margins.

Economic Downturns:

Economic recessions or slowdowns in key markets could reduce consumer spending on non-essential goods like kitchen baskets.

Supply Chain Disruptions:

Global supply chain challenges, such as delays or increased costs, can impact the availability of materials and the ability to meet production schedules.

Regulatory Changes:

Changes in environmental regulations could increase production costs, especially if new investments in sustainable practices are required.

Technological Obsolescence:

Rapid technological advancements could render current manufacturing processes or materials obsolete, requiring significant investment to stay competitive.

AUDIT AND INTERNAL CONTROL SYSTEM

One of the key requirements of the Companies Act, 2013 is that companies should have adequate Internal Financial Controls (IFC) and that such controls should operate effectively. Internal Financial Controls means the policies and procedures adopted by the Company for ensuring orderly and efficient conduct of its business, including adherence to Company's policies, safeguarding of its assets, prevention and detection of frauds and errors, accuracy and completeness of the accounting records, and timely preparation of reliable financial information. Your Company process of assessment ensures that not only does adequate controls exist, but it can also be evidenced by unambiguous documentation. The process involves scoping and planning to identify and map significant accounts and processes based on materiality. Thereafter, risk is identified and their associated controls are mapped, else remediation is implemented. These controls are tested to assess operating effectiveness. The auditor performs independent testing of controls. The Auditors' Report is required to comment on whether the Company has adequate IFC system in place and such controls are operating effectively. Your Company's Internal Control System is robust and well established. It includes documented rules and guidelines for conducting business. The environment and controls are periodically monitored through procedures/processes set by the management, covering critical and important areas. These controls are periodically reviewed and updated to reflect the changes in the business and environment.

RAW MATERIAL PRICES

The prices of basic major raw materials used in our manufacturing process viz. stainless steel scrap / flats of various grades doesn't affect much, as we are working in open market scenario.

FINANCIAL PERFORMANCE

During the year under review on the basis of Standalone and Consolidated Financial Statement the Company's total revenue from operations during the financial year ended 31st March, 2023 were Rs.3771.06 Lacs as against Rs.3888.64 Lacs of the previous year. The Company has made Net Profit of Rs.342.96 Lacs as against Rs.432.36 Lacs of the previous year

MATERIAL DEVELOPMENTS IN HR / INDUSTRIAL RELATION / NUMBER OF PERSON EMPLOYED

Our Company believes that the human capital is key to bring in progress. The Company believes in maintaining cordial relation with its employees, which is one of the key pillars of the Company's business. The Company's HR policies and practices are built on core values of Integrity, Passion, Speed, and Commitment. The Company's focus is on recruitment of good talent and retention of the talent pool. The Company is hopeful and confident of achieving the same to be able to deliver results and value for our shareholders. As on 31st March, 2022, the total employees on the Company's rolls stood at 101.

ACCOUNTING POLICIES

The accounting policies have been consistently applied by the Company and are consistent with those used in the previous year. The financial statements have been prepared under the historical cost convention on an accrual basis. The management accepts responsibility for the integrity and objectivity of the financial statements, as well as for the various estimates and judgment used therein.

DISCLOSURE OF ACCOUNTING TREATMENT IN PREPARATION OF FINANCIAL STATEMENT

The Company has followed all relevant Accounting Standards laid down by the Institute of Chartered Accountants of India (ICAI) while preparing Financial Statements.

DETAILS OF SIGNIFICANT CHANGES (I.E. CHANGE OF 25% OR MORE AS COMPARED TO THE IMMEDIATELY PREVIOUS FINANCIAL YEAR) IN KEY FINANCIAL RATIOS

The Company has identified the following ratios as key financial ratios:

Sr. No.	Particulars	2023-24	2022-23	Changes
1.	Debtors Turnover	5.42	6.71	-19.18
2.	Interest Coverage Ratio	12.91	20.93	-38.29
3.	Current Ratio	2.36	3.69	-36.04
4.	Debt Equity Ratio	0.32	0.27	15.57

Independent Auditor's Report

To the Members of Maruti Interior Products Limited Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of **M/s. Maruti Interior Products Limited** ("**the Company**") which comprises the Balance Sheet as at **March 31, 2024**, the Statement of Profit and Loss, and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "standalone financial statements")

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at **March 31, 2024**, and profit, and its cash flows for the year ended on that date.

Basis for opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters

Emphasis of Matter

The Company's management is responsible for carrying out the inspection of its inventories on a regular basis. We have not independently verified the inventories of the Company during the year under review. Any adjustment to the value of inventories as appearing in the balance sheet of the Company may have an effect on the profit and net assets of the Company for the period and year ended March 31, 2024.

The Company's management is responsible for carrying out the balance confirmation and reconciliations with various debtors, creditors and advances. These have not been independently verified by us during the year under review. Any adjustment to the value of such balances as appearing in the balance sheet of the Company may have an effect on the profit and net assets of the Company for the period and year ended March 31, 2024.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Annual Report include Board's Report, Annexures to Board's Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon. The Company's annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. we have nothing to report in this regard.

Responsibility of Management for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the

standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

5. Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance, where applicable, regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance, where applicable, with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Companies Act, 2013, we give in "**Annexure A**" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. A. As required by Section 143(3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books except for the matters stated in Paragraph 2B (f) below on reporting under Rule 11 (g) of the Companies (Audit and Auditors) Rules, 2014.
 - c. The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - d. In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e. On the basis of the written representations received from the directors as on March 31, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164(2) of the Act.
 - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure B**".
- B. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - a. The Company has disclosed details regarding pending litigation in note 37 of financial statements, which would impact its financial position.
 - b. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

- c. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
- d. (i) The Management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the financial statements, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (ii) The Management has represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to the financial statements, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- (iii) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (1) and (2) above, contain any material misstatement.
- e. The Company has declared and paid interim dividend during the year in accordance with the Companies Act, 2013.
- f. The reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 is applicable from 1st April, 2023.

Based on our examination which included test checks, the Company has used software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has not operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit, the audit trail (edit log) facility has not maintained during the year, therefore we are unable to comment in case of any instance of the audit trail feature being tampered with.

- C. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

Annexure A to the Independent Auditor's Report

Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of the Independent Auditors' Report of even date to the members of the **Maruti Interior Products Limited** on the standalone financial statements as of and for the year ended **March 31, 2024**, we report the following:

- (i) (a) In respect of its property, plant, and equipment:
- (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of property and plant and equipment.
- (B) The Company does not have any intangible assets and hence, is not required to maintain records for the same.
- (b) The Company has a programme of verification of plant, property, and equipment to cover all the items in a phased manner over a period of 2 year which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the programme, certain plant, property, and equipment and investment property were physically verified by the Management during the current reporting period. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
- (c) According to the information and explanations given to us and the records examined by us and based on the examination of the registered sale deed/transfer deed/conveyance deed, we report that, the title deeds, comprising all the immovable properties of land and acquired buildings which are freehold, are held in the name of the Company as at the balance sheet date. In respect of immovable properties of acquired land that have been taken on lease, the lease agreements are in the name of the Company, where the Company is the lessee in the agreement.
- (d) The Company has not revalued its Property, Plant and Equipment during the reporting period and hence, clause (i)(d) of the CARO, 2020 is not applicable.
- (e) As explained to us by the management of the Company, there have not been any proceedings initiated or pending against the Company under the Benami Transactions (Prohibition) Act, 1988 and rules made thereunder during the current reporting period or as at the balance sheet date.
- (ii) (a) As explained to us, the inventories excluding stocks with other third parties, if any, were physically verified during the reporting period by the Management at reasonable intervals and no material discrepancies were noticed on physical verification. In respect of inventory lying with other third parties, if any, confirmations were obtained by the Management for substantial portions of stocks held by them at the year-end.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has been sanctioned working capital limits in excess of five crore rupees during the current year, in aggregate, from banks or financial institutions on the basis of security of current assets. In our opinion, the quarterly returns or statements filed by the Company with such banks or financial institutions are in agreement with the books of account of the Company except as follows.

Annexure B

Referred to in **point f** of paragraph 2 under **'Report on Other Legal and Regulatory Requirements'** section of the Independent Auditors' Report of even date to the members of the **Maruti Interior Products Limited** on the standalone financial statements for the year ended **March 31, 2024**.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act

In conjunction with our audit of the standalone financial statements of the Company as of and for the year ended March 31, 2024, we have audited the internal financial controls over the financial reporting of **Maruti Interior Products Limited** ("the Company") as of that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect of standalone financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial control over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI.

Depreciation:

Depreciable amount for tangible assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value.

Depreciation has been provided on the tangible fixed assets as per Straight Line method considering useful lives as per Schedule II of Companies Act, 2013. Depreciation on assets addition during the year is charged on prorata basis.

The company estimates that the useful lives as given below best represent the useful lives of these assets based on internal assessment and supported by technical advice where necessary which may be different from the useful lives as prescribed under Part C of Schedule II of the Companies Act 2013.

Name of Assets	Useful life	Name of Assets	Useful life
Building	30 years	Furniture & Fixtures	10 years
Plant & Machinery	15 years	Office Equipment	5 years
Dies & Tools	3 to 15 years	Computer & Mobile	3 to 5 years
Electrification	10 years	Vehicles	8 to 10 years

Impairment of Assets:

The Company assesses at each Balance Sheet date whether there is any indication that an asset may be impaired. For the purposes of assessing impairment, the smallest identifiable group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows from other assets or groups of assets, is considered as a cash generating unit. If any such indication exists, the company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the Statement of Profit and Loss. If at the Balance Sheet date there is an indication that if a previously assessed impairment loss no longer exists or may have decreased, the recoverable amount is reassessed, and the asset is reflected at the recoverable amount.

e) Investments:

- a Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments.

On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties. If an investment is acquired, or partly acquired, by the issue of shares or other securities, the acquisition cost is the fair value of the securities issued. If an investment is acquired in exchange for another asset, the acquisition is determined by reference to the fair value of the asset given up or by reference to the fair value of the investment acquired, whichever is more clearly evident.

MARUTI INTERIOR PRODUCTS LIMITED

NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2024

- b) Current investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments.
- c) On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss.

f) Inventories:

Inventories are taken, value and certified by Directors and are valued following FIFO method on the following basis:

- i) Raw Material is valued at cost or net realizable value whichever is lower on FIFO method.
- ii) Stores and Consumables are valued at cost or net realizable value whichever is lower.
- iii) Finished Goods are valued at cost or net realizable value whichever is lower. Cost comprises raw material cost, labour cost, cost of stores, spares and consumables, other manufacturing and overheads expenses that have been incurred in bringing the inventories to their present location and condition.
- iv) Stock in process is valued at cost. Cost comprises raw materials cost and appropriate portion of labour costs, cost of stores, spares and consumables, other manufacturing and overhead expenses.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and to make the sale

g) Revenue Recognition:

All known income and expenditure quantifiable till the date of finalization of accounts are accounted on accrual basis when virtual certainty is established.

Sales revenue is recognized when property in the goods with all risk rewards and effective control of goods usually associated with ownership are transferred to buyer and no effective ownership is retained and when there is a reasonable certainty of its ultimate collection.

Interest income is recognized on time proportion basis depending upon the amount outstanding and the rate applicable. However interest income on refund of any tax, duty or cess is recognized in the year in which it is received.

Insurance claims are accounted for on the basis of claims admitted/expected to be admitted and to the extent that the amount recoverable can be measured reliably and it is reasonable to expect ultimate collection.

Revenue from export benefits arising from Duty entitlement pass book (DEPB scheme), duty drawback scheme, and merchandise export incentive scheme are recognised on export of goods in accordance with their respective underlying scheme at fair value of consideration received.

Dividend Income is accounted on receipt basis except on which TDS has been deducted is accounted on accrual basis.

Miscellaneous Income is recognized at the time of relevant event occurring when there is no significant uncertainty in collection of the amount of consideration.

The presentation of financial statements require estimates and assumptions to be made that effect the reported amount of assets and liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual result and estimates are recognized in the period in which the results are known / materialized.

h) Expenditure Recognition:

Expenditure relating to purchase of goods are accounted on accrual basis.

Purchase is exclusive of GST wherever applicable.

Expenditure is accounted on accrual basis considering the materiality of the transaction.

Company has not made any provision for impairment of asset.

i) Foreign Currency Transaction:

- i. Transactions in foreign currency are recorded at exchange rates prevailing on the date of transactions.
- ii. Monetary items denominated in foreign currency outstanding at the year end, are translated at the exchange rates prevailing as at the year end.
- iii. Non-monetary items denominated in foreign currency are valued at the rates prevailing on the date of the transaction.
- iv. Any gains or losses arising due to differences in exchange rates at the time of translation or settlement are accounted for in the Profit & Loss Account.
- v. Exchange differences on long-term foreign currency monetary items relating to acquisition of depreciable assets are charged to Profit & Loss Account.

j) Employee Benefit:**Short Term Employee Benefit**

All employee benefit payable wholly within twelve months of rendering the services are classified as short term employee benefit. Benefits such as salaries, wages, short-term compensated absences, etc. and the expected cost of bonus are recognized in the period in which the employee renders the related services.

Retirement Benefit:

Defined Contribution Plans: The State governed provident fund scheme and employee pension scheme are defined contribution plans. The contribution paid/ payable under the schemes is recognized during the period in which the employee renders the related service.

Defined Benefit Plans:

Gratuity is a company's defined benefit plan: The Company has defined benefit plans for its employees, viz., gratuity. The cost of providing benefits under this plans are determined on the basis of actuarial valuation at each year end. Actuarial valuation is carried out for the plan using the projected unit credit method. Actuarial gains and losses for defined benefit plans are recognised in full in the period in which they occurs in the statement of profit and loss.

k) Borrowing Costs:

Interest and other borrowing costs are recognised in the statement of profit and loss except borrowing cost that are directly attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets until the asset is first put to use, when substantially all the activities necessary to prepare such Inventory for its intended sale are complete.

l) Segment Reporting:

The Company is engaged in manufacturing and domestic sale & export of modular kitchen storage system, aluminium long wardrobe handle & profile handle. These, in the context of Accounting Standard 17 on Segment Reporting, as specified in the Companies (Accounting Standard) Rules, 2006, are considered to constitute one single primary segment.

m) Provisions and Contingent Liabilities:

Provisions are recognised when there is a present obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

n) Provision for Current and Deferred tax:

The tax expenses comprise of current tax and deferred tax charged or credited to the profit and loss account for the year. Provision for current tax is made accordance with the tax laws applicable to the current financial year after taking into consideration benefit admissible under the provisions of the Income Tax Act, 1961.

Deferred Tax resulting from “timing difference” between book and taxable profit is accounted for using the tax rates and laws that have been enacted or substantively enacted as on the balance sheet date. The deferred tax assets is recognized and carried forward only to the extent that there is a reasonable certainty that the assets will be realized in the future.

o) Earnings per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting preference dividends, if any, and attributable taxes) by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders is adjusted for after income tax effect of interest and other financing costs associated with dilutive potential equity shares and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2024

Note 34. Trade and other receivables

The Company’s exposure to credit risk is influenced mainly by the individual characteristics of each customer. However, management also considers the factors that may influence the credit risk of its customer base, including the default risk of the industry and the country in which customers operate.

The Company’s Management has established a credit policy under which each new customer is analysed individually for creditworthiness before the Company’s standard payment and delivery terms and conditions are offered. The Company’s review includes market checks, industry feedback, past financials, external ratings, if available, and bank references.

In monitoring customer credit risk, customers are reviewed according to their credit characteristics, including whether they are an individual or a legal entity, their geographic location, industry, and the existence of previous financial difficulties

The gross carrying amount of trade receivables is Rs. 650.47 Lakhs (31 March 2023 – Rs. 740.28 Lakhs).

Independent Auditor's Report

To the Members of

MARUTI INTERIOR PRODUCTS LIMITED

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of **MARUTI INTERIOR PRODUCTS LIMITED** (*“the Holding Company”*) and **NOGGAH LIFESTYLE PRODUCTS PRIVATE LIMITED** (*the “Subsidiary”*) (*Collectively referred as the “Group” or the “Group Companies”*) which comprises the Consolidated Balance Sheet as at **March 31, 2024**, the Consolidated Statement of Profit and Loss, and Consolidated Statement of Cash Flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as the “consolidated financial statements”).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Group as at **March 31, 2024**, and consolidated profit and its consolidated cash flows for the year ended on that date.

Basis for opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Companies Act, 2013. My responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Material Uncertainty Related to Going Concern of wholly owned subsidiary

Our opinion is not modified in respect of the following material uncertainty relating to Going Concern that has been communicated to us by auditors of Noggah Lifestyle Products Private Limited, a wholly-owned subsidiary of the holding company, vide their audit report dated May 27, 2024.

“Without modifying our opinion on the special purpose financial information, we have considered the adequacy of the disclosure concerning the entity's ability to continue as a going concern. Noggah Lifestyle Products Private Limited's (“NLPPPL”) net worth is negative due to a net loss incurred of Rs. 4.99 Lakhs during the year ended March 31, 2024, and as of that date, the NLPPPL's current liability exceeded its total assets by Rs. 30.44 Lakhs and accumulated losses amounting Rs. 31.44 lakhs. The above factors indicate a material uncertainty, which may cast significant doubt about the company's ability to continue as a going concern. However, on the basis of the support of the holding company and other facts mentioned in the aforesaid notes to the financial statements, management is of the view that going concern basis of accounting is appropriate.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters

Emphasis of Matter

The respective Company's management is responsible for carrying out the inspection of its inventories on a regular basis. Auditors of the respective company have not independently verified the inventories of the respective Company during the year under review. Any adjustment to the value of inventories as appearing in the balance sheet of the respective Company may have an effect on the profit and net assets of the respective Company for the period and year ended March 31, 2024.

The respective Company's management is responsible for carrying out the balance confirmation and reconciliations with various debtors, creditors, and advances. These have not been independently verified by auditor of respective company during the year under review. Any adjustment to the value of such balances as appearing in the balance sheet of the respective Company may have an effect on the profit and net assets of the respective Company for the period and year ended March 31, 2024.

Our opinion is not modified in respect of this matter.

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Holding Company's Board of Directors is responsible for the preparation of the other information. The other information is included in the Annual Report, but does not include the consolidated financial statements and our auditor's report thereon. The Company's annual report expected to be made available to us after the date of this auditor's report.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. we have nothing to report in this regard.

Responsibility of Management for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance, and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under Section 133 of the Act.

The respective Board of Directors of the Companies included in the Group are responsible for the maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation, and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statement that gives a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group companies, to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group companies or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the company's financial reporting process of the Group.

Auditor's Responsibility for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company and its subsidiary company which is incorporated in India has adequate internal financial controls system in place and the operating effectiveness of such controls.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group Companies to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group Companies to cease to continue as a going concern.
5. Evaluate the overall presentation, structure, and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
6. Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its subsidiary to express an opinion on the consolidated financial statements. For the entities included in the consolidated financial statements, which have been audited by the other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance of the holding company and its subsidiary company included in the consolidated financial statements of which we are the independent auditors, where applicable, regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance, where applicable, with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

The consolidated Financial Results include the Audited Financial Results of Noggah Lifestyle Products Private Limited (NLPPPL) a wholly owned subsidiary, whose financial statements before adjustment reflect total assets of Rs. 144.69 Lakhs as at 31st March 2024, total revenue of Rs.8.99 Lakhs, and total net profit/(loss) after tax Rs. (4.99) for the year ended 31st March 2024, as considered in the consolidated financial statements, which have not been audited by us. The financial statements of NLPPPL have been audited by another auditor whose report has been furnished to us by the management, and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of the subsidiary, and our report in terms of sub-section (3) of Section 143 of the Act including report on other information insofar as it relates to the aforesaid subsidiary is based solely on the reports of the other auditor.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statement/ financial information certified by the Board of Directors.

Report on Other Legal and Regulatory Requirements

Annexure A

Referred to in **point f** of paragraph **2** under **'Report on Other Legal and Regulatory Requirements'** section of the Independent Auditors' Report of even date to the members of the **Maruti Interior Products Limited** on the consolidated financial statements for the year ended **March 31, 2024**.

Report on the Internal Financial Controls with reference to Consolidated Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Act

In conjunction with our audit of the consolidated financial statements of the Group Companies as of and for the year ended March 31, 2024, we have audited the internal financial controls with reference to financial statements of **Maruti Interior Products Limited** and **Noggah Lifestyle Products Private Limited** (the "Subsidiary") (collectively referred to as the "Group" or the "Group Companies") as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Group Companies, are responsible for establishing and maintaining internal financial controls based on internal control with reference to financial statements criteria established by the Group Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to financial statements of the Group Companies based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing, prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls both issued by the ICAI. Those Standards and the Guidance Note require that we comply with the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to financial statements of the Group.

Meaning of Internal Financial Controls with reference to consolidated financial statements

A group's internal financial control with reference to consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A group's internal financial control with reference to consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted

accounting principles, and that receipts and expenditures of the group are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the group's assets that could have a material effect of consolidated financial statements.

Inherent Limitations of Internal Financial Controls with reference to Consolidated Financial Statements

Because of the inherent limitations of internal financial controls with reference to consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial control with reference to consolidated financial statements to future periods are subject to the risk that the internal financial control with reference to consolidated financial statement may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion In our opinion, the Group has, in all material respects, an adequate internal financial controls with reference to consolidated financial statements and such internal financial controls with reference to consolidated financial statements were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the group considering the essential components of internal control stated in the Guidance Note issued by ICAI.

The consolidated financial statements have been prepared on the following basis:

- (1) The financial statements of the Holding Company and its subsidiary have been combined on a line-by-line basis by adding together like items of assets, liabilities, income and expenses. Intercompany balances and transactions and unrealized profits or losses have been fully eliminated if any.

MARUTI INTERIOR PRODUCTS LIMITED

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2024

- (2) Profits or losses resulting from intra-group transactions (if any) that are recognised in assets such as inventory and property, plant & equipment, are eliminated in full.
- (3) Offset (eliminate) the carrying amount of the parent's investment in subsidiary and the parent's portion of equity of each subsidiary.
- (4) Non-controlling interest's share of profit/loss of consolidated subsidiaries (if any) for the year is identified and adjusted against the income of the group in order to arrive at the net income attributable to shareholders of the Company.
- (5) Non-controlling interest's share of net assets of consolidated subsidiaries (if any) for the year is identified and presented in the consolidated balance sheet separate from liability and equity of the Company's shareholders.

c) Use of Estimates:

The preparation of financial statements in conformity with generally accepted Accounting Principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates.

d) Property Plant & Equipment – Tangible Assets, Depreciation and Impairment of assets:

Tangible Assets:

- i) Tangible Assets are capitalized at acquisition costs. 'Acquisition cost' includes directly attributable costs such as freight, insurance and specific installation charges for bringing the assets to its working condition for use.
- ii) Expenditure relating to existing assets is added to the cost of the assets where it improves the performance / extends life of the assets as assessed earlier.
- iii) The profit or loss arising from the disposal of assets is recognized in the Profit & Loss Account.
- iv) Assets in the course of work-in-progress for production or administrative purpose are carried at cost. Cost includes land and building improvement costs, related acquisition expenses and construction costs incurred during the period of construction. Depreciation of these assets charged as and when assets are ready for their intended use.

Depreciation:

Depreciable amount for tangible assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value.

Depreciation has been provided on the tangible fixed assets as per Straight Line method considering useful lives as per Schedule II of Companies Act, 2013. Depreciation on assets addition during the year is charged on prorata basis.

The Holding Company estimates that the useful lives as given below best represent the useful lives of these assets based on internal assessment and supported by technical advice where necessary which may be different from the useful lives as per prescribed under Part C of Schedule II of the Companies Act 2013.

Name of Assets	Useful life	Name of Assets	Useful life
Building	30 years	Furniture & Fixtures	10 years
Plant & Machinery	15 years	Office Equipment	5 years
Dies & Tools	3 to 15 years	Computer & Mobile	3 to 5 years
Electrification	10 years	Vehicles	8 to 10 years

Impairment of Assets:

The Group Companies assesses at each Balance Sheet date whether there is any indication that an asset may be impaired. For the purposes of assessing impairment, the smallest identifiable group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows from other assets or groups of assets, is considered as a cash generating unit. If any such indication exists, the Group

Companies estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the Statement of Profit and Loss. If at the Balance Sheet date there is an indication that if a previously assessed impairment loss no longer exists or may have decreased, the recoverable amount is reassessed, and the asset is reflected at the recoverable amount.

e) Investments:

a) Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments.

On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties. If an investment is acquired, or partly acquired, by the issue of shares or other securities, the acquisition cost is the fair value of the securities issued. If an investment is acquired in exchange for another asset, the acquisition is determined by reference to the fair value of the asset given up or by reference to the fair value of the investment acquired, whichever is more clearly evident.

b) Current investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments.

c) On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss.

f) Inventories:

Inventories are taken, value and certified by Directors and are valued following FIFO method on the following basis:

i) Raw Material is valued at cost or net realizable value whichever is lower on FIFO method.

ii) Stores and Consumables are valued at cost or net realizable value whichever is lower.

iii) Finished Goods are valued at cost or net realizable value whichever is lower. Cost comprises raw material cost, labour cost, cost of stores, spares and consumables, other manufacturing and overheads expenses that have been incurred in bringing the inventories to their present location and condition.

iv) Stock in process is valued at cost. Cost comprises raw materials cost and appropriate portion of labour costs, cost of stores, spares and consumables, other manufacturing and overhead expenses.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and to make the sale

g) Revenue Recognition:

All known income and expenditure quantifiable till the date of finalization of accounts are accounted on accrual basis when virtual certainty is established.

Sales revenue is recognized when property in the goods with all risk rewards and effective control of goods usually associated with ownership are transferred to buyer and no effective ownership is retained and when there is a reasonable certainty of its ultimate collection.

Interest income is recognized on time proportion basis depending upon the amount outstanding and the rate applicable. However interest income on refund of any tax, duty or cess is recognized in the year in which it is received.

Insurance claims are accounted for on the basis of claims admitted/expected to be admitted and to the extent that the amount recoverable can be measured reliably and it is reasonable to expect ultimate collection.

Miscellaneous Income is recognized at the time of relevant event occurring when there is no significant uncertainty in collection of the amount of consideration.

The presentation of financial statements require estimates and assumptions to be made that effect the reported amount of assets and liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual result and estimates are recognized in the period in which the results are known / materialized.

h) Expenditure Recognition:

Expenditure relating to purchase of goods are accounted on accrual basis.

Purchase is exclusive of GST wherever applicable.

Expenditure is accounted on accrual basis considering the materiality of the transaction.

Group has not made any provision for impairment of asset.

i) Foreign Currency Transaction:

i. Transactions in foreign currency are recorded at exchange rates prevailing on the date of transactions.

ii. Monetary items denominated in foreign currency outstanding at the year end, are translated at the exchange rates prevailing as at the year end.

iii. Non-monetary items denominated in foreign currency are valued at the rates prevailing on the date of the transaction.

iv. Any gains or losses arising due to differences in exchange rates at the time of translation or settlement are accounted for in the Profit & Loss Account.

v. Exchange differences on long-term foreign currency monetary items relating to acquisition of depreciable assets are charged to Profit & Loss Account.

j) Employee Benefit:**Short Term Employee Benefit**

All employee benefit payable wholly within twelve months of rendering the services are classified as short term employee benefit. Benefits such as salaries, wages, short-term compensated absences, etc. and the expected cost of bonus are recognized in the period in which the employee renders the related services.

Retirement Benefit:

Defined Contribution Plans: The State governed provident fund scheme and employee pension scheme are defined contribution plans. The contribution paid/ payable under the schemes is recognized during the period in which the employee renders the related service.

Defined Benefit Plans:

Gratuity is a Group's defined benefit plan: The Group has defined benefit plans for its employees, viz., gratuity. The cost of providing benefits under this plans are determined on the basis of actuarial valuation at each year end. Actuarial valuation is carried out for the plan using the projected unit credit method. Actuarial gains and losses for defined benefit plans are recognised in full in the period in which they occurs in the statement of profit and loss.

k) Borrowing Costs:

Interest and other borrowing costs are recognised in the statement of profit and loss except borrowing cost that are directly attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets until the asset is first put to use, when substantially all the activities necessary to prepare such Inventory for its intended sale are complete.

l) Provisions Contingent Liabilities & Contingent Assets:

Provisions is recognized when the enterprise has a present obligation as a result of past event and it is reasonable certain that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on management estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet and adjusted to reflect the current management estimates.

A Contingent liability is not recognised but disclosed in the financial statement.

A Contingent asset is neither recognized nor disclosed in the financial statement.

m) Provision for Current and Deferred tax:

The tax expenses comprise of current tax and deferred tax charged or credited to the profit and loss account for the year. Provision for Current tax is made accordance with the tax laws applicable to the current financial year after taking into consideration benefit admissible under the provisions of the Income Tax Act, 1961.

Deferred Tax resulting from “timing difference” between book and taxable profit is accounted for using the tax rates and laws that have been enacted or substantively enacted as on the balance sheet date. The deferred tax assets is recognized and carried forward only to the extent that there is a reasonable certainty that the assets will be realized in the future.

n) Earnings per Share:

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting preference dividends, if any, and attributable taxes) by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders is adjusted for after income tax effect of interest and other financing costs associated with dilutive potential equity shares and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

MARUTI INTERIOR PRODUCTS LIMITED**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2024****Note 34. Trade and other receivables**

The Group's exposure to credit risk is influenced mainly by the individual characteristics of each customer. However, management also considers the factors that may influence the credit risk of its customer base, including the default risk of the industry and the country in which customers operate.

The Group's Management has established a credit policy under which each new customer is analysed individually for creditworthiness before the Group's standard payment and delivery terms and conditions are offered. The Group's review includes market check, industry feedback, past financials and external ratings, if they are available, and in some cases bank references.

In monitoring customer credit risk, customers are reviewed according to their credit characteristics, including whether they are an individual or a legal entity, their geographic location, industry, and existence of previous financial difficulties.

The gross carrying amount of trade receivables is Rs. 651.74 Lakhs (31 March 2023 – Rs.570.83 Lakhs).
