THE STORY

Maruti Interior Products Limited is in the business of Kitchen Storage Accessories with the brand name 'Spitze'. We are a leading manufacturer of the latest Kitchen Accessories range since 2 decades. With a well established track record, our products have always met customer satisfaction. We offer great products at a competitive price and have never been known to compromise on the quality of our products.

With an in-house testing lab, salt spray machine, thickness tester and load testing machine we ensure our products pass through all international standards.

The automatic wire bending, cutting, straightening and welding machine ensures 100% accuracy and less production time.

'Spitze' offers amazing possibilities which are both convenient as well as aesthetically elegant. All our products have been designed for optimum utilization of the space which utilizes every nook and corner of the available kitchen space.

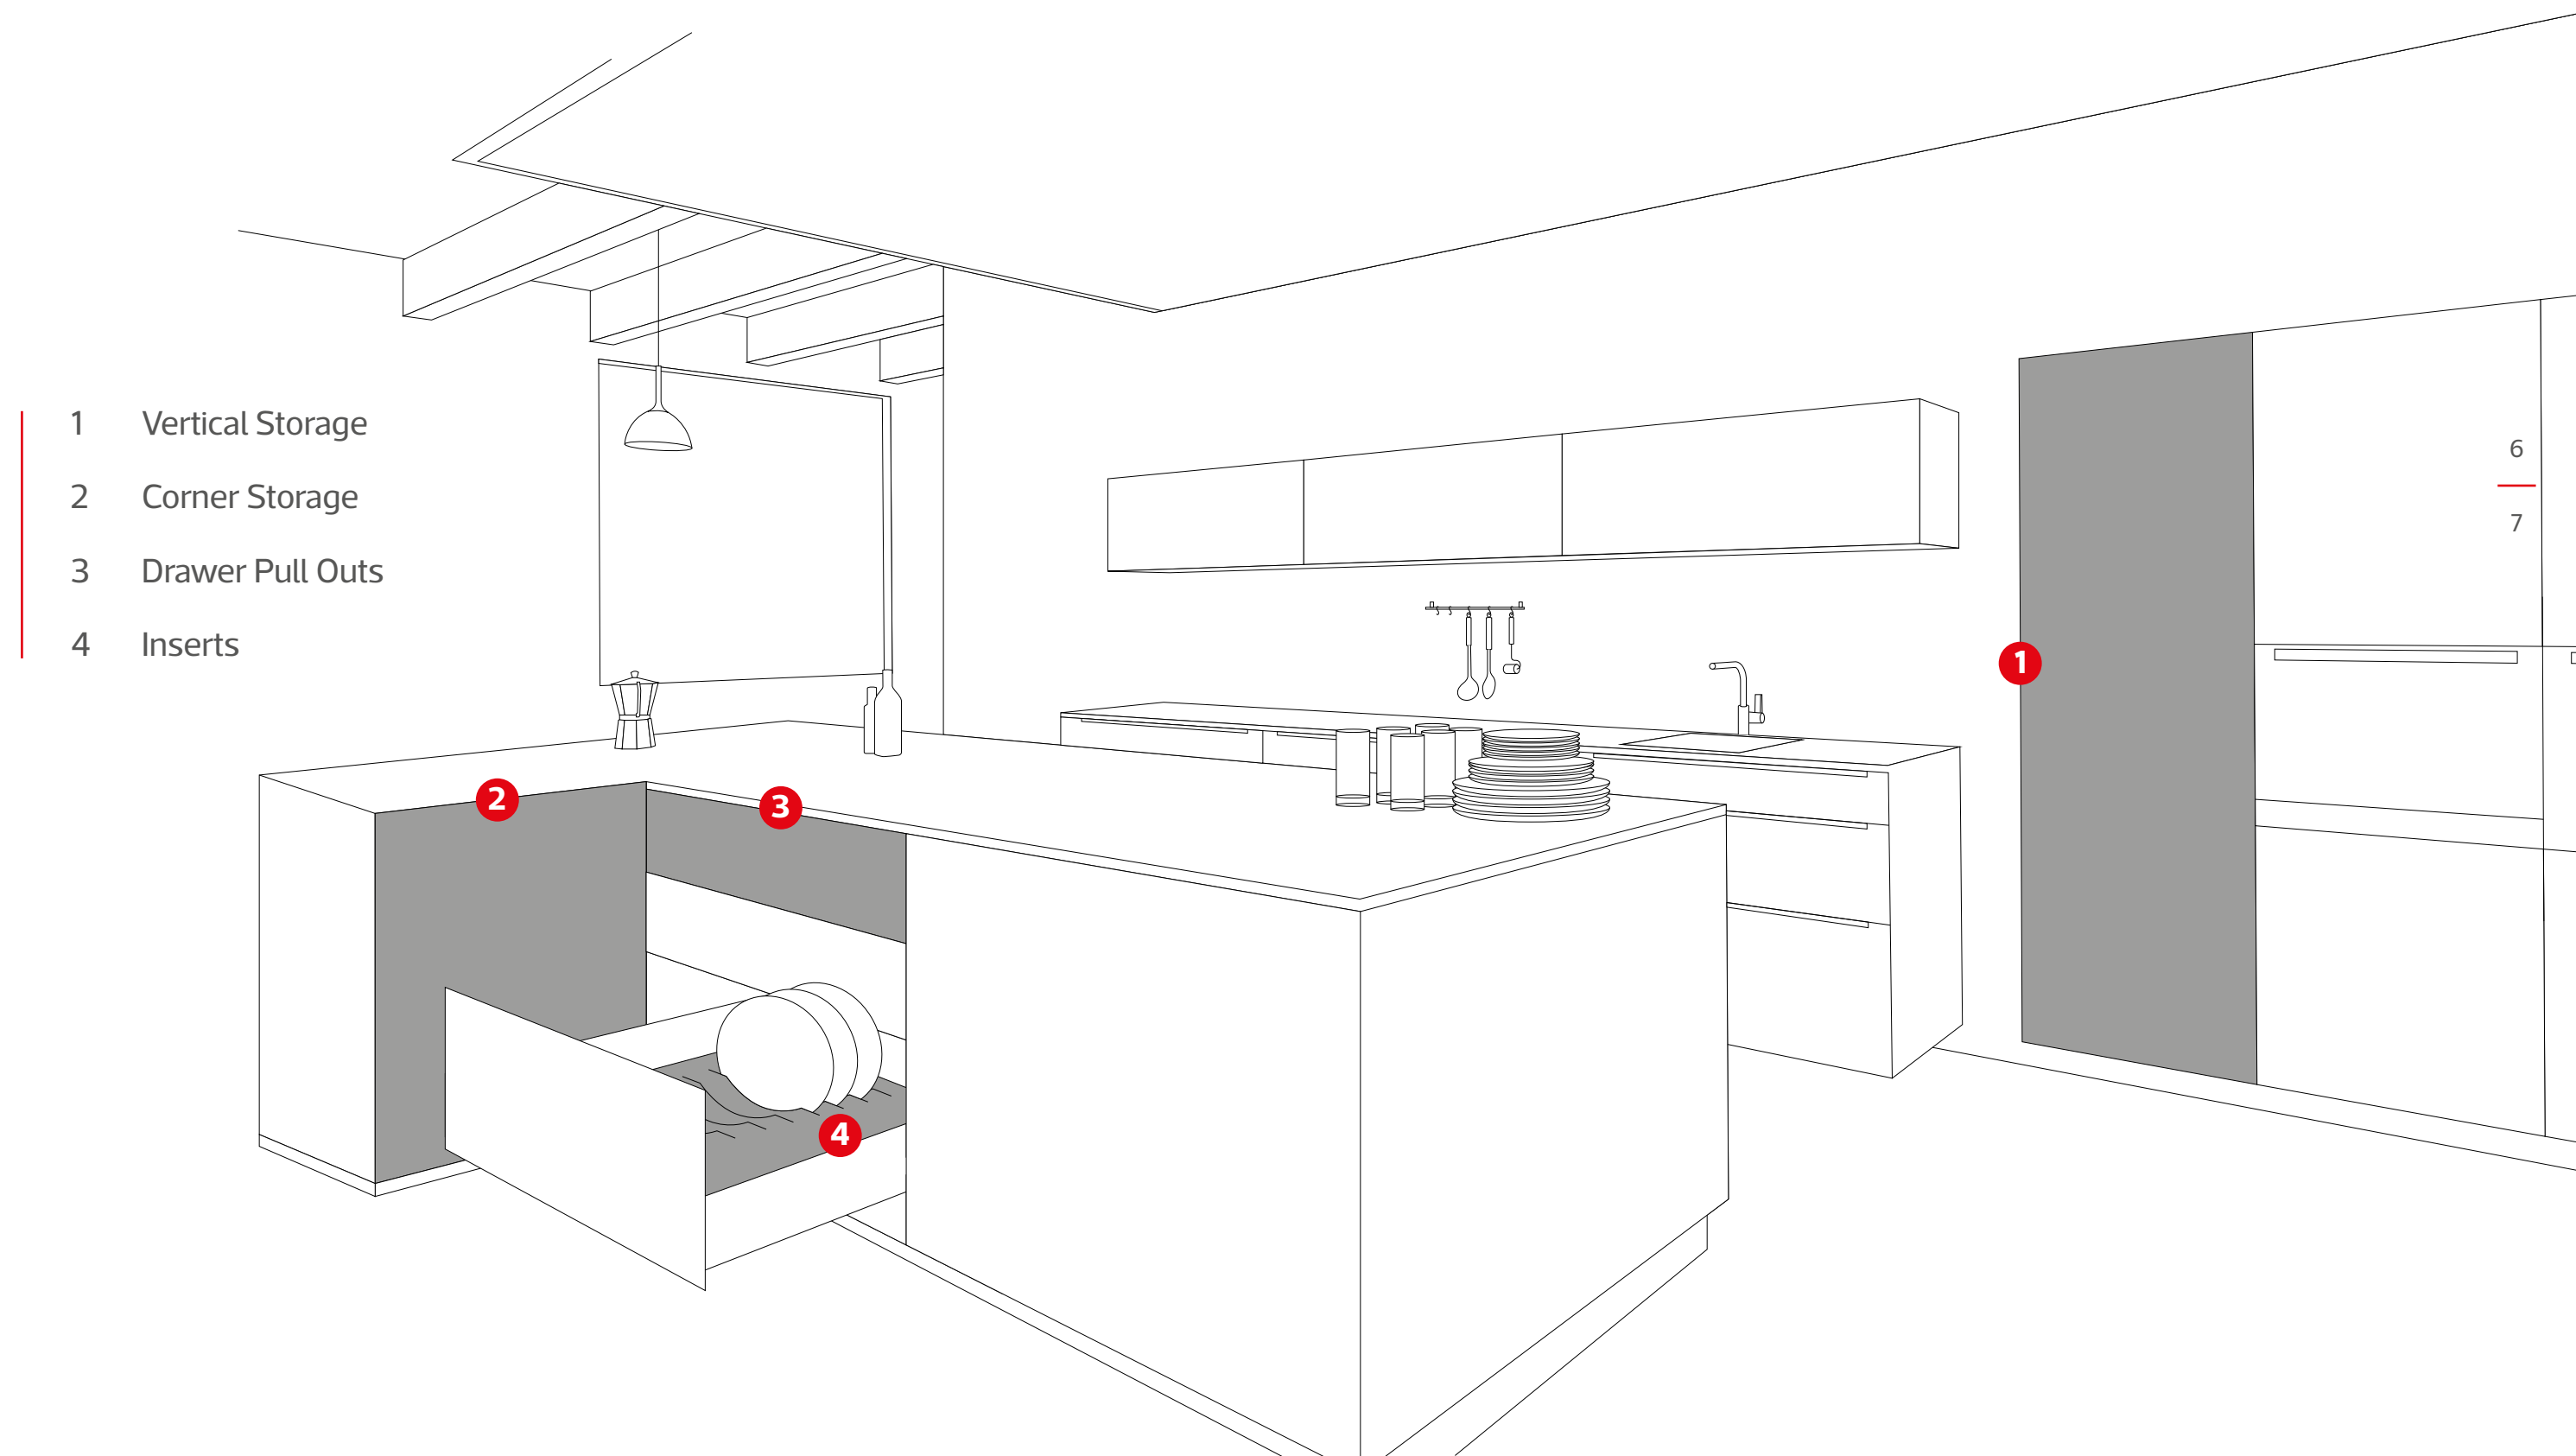

Spitze is in the manufacturing business of various types of Kitchen Accessories made of Stainless Steel with Nickel-Chrome plating adhering to the international standards.
